

SENIOR PICTURE REQUIREMENTS

SALINE HIGH SCHOOL

to

There are **two options** for **senior** picture submission for the yearbook. You can choose use the photo taken by SchoolPictures.com when your senior picks up their schedule in August, or you can submit a photo from an outside photographer. Please see the details below.

OPTION #1: SchoolPictures.com

1. All seniors will have a head-and-shoulders-only picture taken. Students are strongly encouraged to dress in formal attire (dress shirts, sweaters, ties, blouses, etc.). **NO HATS.**
2. The retouched head-and-shoulders-only photo will be submitted to the yearbook by SchoolPictures.com. If you are choosing this option, there is nothing else you need to do for the picture to appear in the yearbook.
3. You can go to www.SchoolPictures.com to order prints of the picture for your own personal use. A link to proofs of each student's individual photo will be emailed if no previous order was placed. These proofs will be available to view and order beginning in early September.

OPTION #2: Outside Photographer--**DUE SUBMITTED BY NOV. 1**

It is imperative that the following specifications be used when submitting yearbook photos from an outside vendor in order for your senior picture to be printed in the yearbook. Make sure that your photographer is aware of these specifications. **(Bring this sheet with you to your appointment.)**

- Yearbook portraits should include **head and shoulders only**. Students are encouraged, although not required, to wear formal attire for the picture that will be submitted to the yearbook. **NO HATS.**
- Pictures that include props (lacrosse stick, truck, pet, etc.) will **not** be accepted for the senior section. *However*, you can choose to purchase an "Ad for Grad" for your senior, which can include a variety of pictures and messages--visit our website to find out how to purchase an ad.
- The photo should be a standard sized photo (our aspect ratios change yearly based upon space) that most professional photographers use. See examples below for scale and proportions.
- Photos should be taken by a professional photographer with appropriate lighting, background, etc.
- The resolution must be 300 dpi or higher. This is standard for most photographers.
-
- Click [HERE](#) or go <https://images.jostens.com/0LNoPHUJdWzWdFMHi9Nt3IA> to upload your photo. **Only upload ONE photo. Do NOT email the photos to Mr. Vollrath. Do NOT submit hard copies of the photo.**
- Submitted **photos must be in color.**
- DEADLINE:** Photos must be uploaded per the instructions **NO LATER THAN NOV. 1**. While some photographers deliver photos to us, it is ultimately **your** responsibility to get them to the yearbook staff on time. Photos that are submitted **AFTER NOV. 1 may not be published in the yearbook** because of printing plant deadlines.
